

Aim 26: What vocabulary words do we need to know from Unit 1?

HW: Use textbook p H18 and your notes to put the first two columns of vocab words in your NB.

Do Now: What does it mean to paraphrase?

Paraphrase-means to write something in your own words that you read. (It is not a copy of what you read, usually it is a shorter and easier to understand to you definition)

Example:

“History- a record of the events that occurred in the past.”

History- is anything that happened in the past.

Vocabulary Word Entries

- 1. Read the definition.**
 - 2. Write a paraphrased definition in your NB.**
 - 3. Use the word in a sentence that demonstrates what the word means.**
 - 4. Draw a sketch or symbol next to the word.**
- 

Example Vocabulary Word Entry
You read, “History- a record of the events that occurred in the past.”

In NB

History- is anything that happened in the past.

Yesterday is history.
